Notes:

The Care Inspectorate use a computer system called the Practice management System (PMS), to hold the registration data we collect about care services. Much of the information we use in this report is taken from PMS via the Care Inspectorate Service List at 30 September 2018
Service subtypes are based on the main service provision category provided by that service but may not be mutually exclusive, i.e. a Care Home for Alchohol & Drug Misuse may still accommodate people within the Older People group.
Some Care at Home services may still operate from a premises as well as provide care at home i.e. they may, in addition to care at home, offer a day care service for adults from a premises.
All grades are from inspection reports finalised by 30 September 2018. Services with no grade for that theme are not included.
Complaints completed are those cases with a completed investigation and does not count any complaints that were withdrawn without an investigation or complaint investigations still in progress.
