Strategic Objectives

- 1: Through robust and independent scrutiny and improvement processes, we will give public assurance and build confidence that social care in Scotland is rights-based and world class.
- 2: Through intelligence-led, risk based and evidence-based approaches to, and findings from, our scrutiny and improvement work, we will inform local and national policy development to contribute to ensuring a world class care system in Scotland.
- 3: We will support peoples understanding of high quality, safe and compassionate care by promoting standards and quality of service they should expect and make sure their voices are heard.
- 4: We will perform as an independent, effective and efficient scrutiny and improvement body, working to consolidate excellence, deliver cultural change, invest in a competent, confident workforce and work collaboratively with partner agencies to support the delivery of safe and compassionate, rights based care.
