

# Dog days

A dementia dog project

Are you living with dementia?

We invite you to join us at Ailsa Hospital for an afternoon of demonstrations, relaxation and fun on Wednesday 8 June from 2pm - 4pm.

Meet Mandie Danks and find out about the incredible Medical Detection Dogs, trained to identify human disease by odour.

Linda Whitby will also be there with her team of Therapets.

**2pm - 4pm**  
**8 June 2016**

Physiotherapy Dept  
Ailsa Hospital, Ayr  
tea and snacks provided

For more information  
call Jim on 07584 327 875
